(972) 548-4165  
Metro (972) 424-1460 Ext. 4165

21 August, 2012

TO: Keith Self, County Judge

FROM: Frank Ybarbo, Purchasing Agent *Fy*

SUBJECT: Request for Emergency Purchase Exemption

Public Works is in immediate need to purchase Type I/II Portland Cement to complete construction of CR 656. The immediate need for this product is due to an unfinished state of CR 656, which in its current state creates a potential driving hazard for motorists who may utilize the road. Subsequently, it is requested that the commissioners court approve such purchase according to Local Government Code 262.024 (a)(2) "an item necessary to preserve or protect the public health or safety of the residents of the county."

Competitive quotes were solicited by Purchasing from JRJ Paving and TXI. TXI submitted the lowest bid at \$122/ton for a total estimated cost of \$72,102.00 for 591 tons of the Portland Cement.
