WITNESSETH:

ARTICLE I.

The City shall arrange to design and construct Ridge Road from Creekside Drive to US 380, hereinafter called the “Project”. All improvements shall be designed to meet or exceed the current Collin County design standards and shall be constructed in accordance with the plans and specifications approved by the City.

ARTICLE II.

The City shall prepare plans and specifications for the improvements, accept bids and award a contract to design and construct the improvements and administer the design and construction contract. In all such activities, the City shall comply with all state statutory requirements. The City shall provide the County with a copy of the executed design and construction contracts for the Project.

ARTICLE III.

The City shall also acquire 11.0 acres of real property in the vicinity of the improvements for use as right-of-way.

Following completion of the project in its entirety, the City shall provide a final accounting of expenditures for the Project. If the actual cost to construct the Project is less than the estimated amount set forth herein, the City shall remit to the County 50 percent of the difference between the estimated cost and the actual cost. The Commissioners Court may revise this payment schedule based on the progress of the Project.

ARTICLE V.
