RE: Interlocal Agreement – Austin, El Paso, Houston, San Antonio

Requesting the courts approval to accept and sign the Interlocal Agreement between Collin County and the cities of Austin, El Paso, Houston and San Antonio for information-sharing. This agreement uses the COPLINK System for the sharing of law enforcement information. This agreement has been reviewed by Collin County's legal attorney.

I request approval and signature of four (4) original copies and upon acceptance, the document will be sent to the individual cities for approval and signature.
