Monday, October 22, 2012

The Honorable Judge Jerry Hogan
Rockwall County Commissioners Court
101 East Rusk Street
Rockwall, Texas 75087

Dear Judge Hogan:

Accessible and quality health care in Rockwall County is the goal of the Hunt Rockwall Rains County Medical Society and our parent organization the Texas Medical Association. The Society proudly represents the 113 licensed physicians in Rockwall County.

On behalf of the physicians in Rockwall County we want to applaud the work of the Rockwall County Commissioners Court to stay abreast of the effects of the 1115 Waiver and to help deliver the necessary funding that can be available to assist the citizens of Rockwall County with their healthcare needs. We offer our support for any programs that will bring new and effective programs to our county, which increase access and reduce costs.

Please let me know how we can continue our relationship with the Commissioners Court and how we can be of further assistance to you as a part of the Regional Healthcare Partnership #18.

Sincerely,

HUNT–ROCKWALL–RAINS COUNTY MEDICAL SOCIETY

Jeff West, MD, President
