RE: Approval of the FY2012 Department of State Health Services TB Contract Amendment #2012-040161-001A

DATE: May 7, 2012

Please approve the TB Contract Amendment #2012-040161-001A to reduce the contract term and budget by four months and revise reporting dates. The original Federal contract dates have been January-December. Department of State Health Services has changed the dates of the TB Federal contracts to coincide with the dates of the other State contracts (September – August).
