
MEMORANDUM

FROM: JUSTICE COURT PRECINCT 1
JUDGE PAUL RALEEH

SUBJECT: PRINTERS QUOTE

DATE: 1/20/2015

Attached you will find the quotes for a Lexmark Color Printer and a Lexmark Black & White Printer. We are requesting to purchase 1 color printer and 2 black and white printers for our office out of the Court Technology Fund. The total for the 3 printers will is \$3036.76.

We have had numerous issues with our outdated printers and have had 3 of them break down recently to the point where it would cost more to repair the printer than it is worth. The color printer will be used for newsletters, brochures and other necessary publications while the two requested black and white printers will be placed at the clerks' desks to print the necessary paperwork for court cases.

Lexmark CS510de Color - \$596.48 +\$14.92 (4 yr onsite upgrade) + \$352.54 (4 yr onsite repair) = \$963.94

Lexmark 810dn B&W - \$723.91 = \$22.77 (4 yr onsite upgrade) + \$289.73 (4 yr onsite repair) = \$1,036.41 x 2 = \$2,072.82.
