RE Sale of Surplus Tractors/Mowers

Fannin County has asked to purchase two surplus County tractor/mower combinations, as listed below. These were replaced in 2012 and were scheduled for auction.

Fannin County has offered to pay \$30,000 for each tractor/mower (a total of \$60,000), which is greater than the amounts for which we sold the last tractor/mower at auction and \$16,000 more than the two tractor/mower combinations we sold to Fannin County in 2011.

Attached is a copy of the letter of intent we received from Fannin County Purchasing Agent, Jill Edwards and Commissioner Pct. 3, Jerry Magness. Also attached is a copy of Fannin County Commissioners' Court Order approving such purchase.

We believe the amount offered for this equipment is a fair and reasonable price and recommend the sale of these units to Fannin County, Texas. We, therefore, request your approval to proceed with this sale.
