Re: Celina Mutual Boundary Resolution

Pursuant to the Mutual Boundary initiative adopted by Commissioners' Court on November 21, 2011, the City of Celina recently approved a resolution authorizing their participation. Celina will now contract Collin County to reconstruct eleven (11) mutual boundary roads listed below.

CR6	CR57
CR9	CR100
CR50	CR102
CR51	CR130
CR52	CR970
CR53	

To fund these projects, Celina has chosen to commit \$390,000 from their 2012 General Obligation Bond Series. In addition, Celina requests the reallocation of \$1,063,813.15 from the 2007 Transportation Bond, (Frontier Pkwy – aka CR5) to finance the remaining balance.

Because of current commitments and resource allocations, Public Works will coordinate with Celina officials to schedule the projects in a mutually acceptable timeframe. Also, Public Works will deliver a final product that meets all County Road Standards. However, due to many intrinsic variables including:

- Inclement weather
- Traffic patterns
- Soil conditions
- Future road maintenance
- Trees and drainage maintenance

Public Works will not provide a warranty for roads reconstructed within or adjacent to the Celina boundaries. (Please note on the court order).
