---

4 February 2013

TO Judge Self and Commissioners' Court  
FROM Jon Kleinheksel, Public Works Director   
RE Renewal of Contract for Supplies: Fleet Repair Parts  
IFB 01165-10

Public Works requests approval to renew contract with Midway Auto Supply for an additional one year period (with changes as noted per attached change order) through and including September 30, 2013.

Midway's renewal includes a new pricing structure for 46 items. Of these price changes, 25 are increases (anywhere from \$0.38 to \$7.24) and 20 were actually lower (ranging from \$0.30 to \$16.67), while pricing for one item remained the same.

Purchasing compared Midway's requested pricing with pricing from two other fleet parts suppliers, and overall Midway was lower. One vendor did not offer all items.

Vendor has performed well over the life of this contract.

Should you require additional information, contact me and I will respond accordingly.
