Re: Eliminating Auto Task Force Position

Over the past month, Major Sanderson and his staff have been evaluating the effectiveness of the Auto Theft Task Force position and have made the determination that the benefit received from that position is not currently justifying the related costs. The salary for that position is shared between county and grant funds on a 20%-80% participation basis. Therefore, it is recommended that the position be eliminated effective March 3rd. The agreement provides for early termination.
