MEMORANDUM

DATE: February 11, 2013
TO: Sheriff Terry G. Box
Chief Deputy Rick Allen
FROM: Major Mark Sanderson *MS*
RE: Crime Victim Advocate – 2014

This grant was awarded last year with our part being \$2,000. The grant can be renewed for two additional years if funded. I request to join Frisco Police Department again this year in applying based on the original application and existing Memorandum of Understanding.

The cost to the County will remain at the \$2,000 level. This will continue to fund the Crime Victims Advocate who coordinates all crime victim assistance as well as access to the Texas Crime Victims Fund for the victims of all crimes reported to the Sheriff's Office.
