Collin County approved an Engineering Services contract with Birkhoff, Hendricks and Carter, L.L.P. (BHC) to provide engineering services for FM 2514 (Parker Rd.) from FM 2551 to just east of FM 1378 on July 26, 2005, Court Order #2005-538-07-26 for \$174,700 and amendment number 1 on April 19, 2010, Court Order No. 2010-267-04-19 for \$403,200 bringing the total contract amount to \$577,900.

BHC has submitted Amendment #3 that will include the schematic preparation and Environmental Assessment document for the section of FM 2514 (Parker Rd.) from Lavon Parkway to 250' south of the curve at Butchers Block.

With the savings from Contract Amendment #2 and with the participation from St. Paul, the addition of this segment will be at no cost to Collin County. (Both items are on this court in separate Agenda items)

We request Commissioners Court approval of the attached Contract Amendment #3 of the Birkhoff, Hendricks and Carter, L.L.P Engineering services agreement for FM 2514 (Parker Rd) from Lavon Parkway to 250' south of the curve at Butchers block. Bond Project #99-00-17. No Fiscal Impact to the County.
