Subject: Court Minutes 2/25/13

Commissioner Hill: If we apply for this grant perhaps we can say we are not committing to replace the iPads if they fail.
(Video time: 53:50)

Judge Self: In response to Mr. Bilyeu stating that grants do not require the Court to replace the iPads...Judge Self stated these iPads would go on a list of items we do not replace. (Video time: 55:50)

The motion was to apply for the grant...I can take out the replace/do not replace debate altogether if this makes it easier.
