

# FY 2013 Improvement Database - Adopted Detail

Information Technology-Admin

**Improvement**      **Disc Quota**      **Priority:** T06

Disc Quota Capacity Mgmt-We are struggling with the explosive growth in data. We would like to investigate tools that will allow configurations to provide limitations to how much space each person can consume based on business requirements. This will assist in limiting employees from storing personal photos, music and movies to the network drives.
