Re: Wireless Access Points

We need to move funds from the Disc Quota project, account code 001-0619-414.90-04 to account code 001-0629-414.90-02 for end of life wireless access points. The wireless access point project was short by almost 50,000.00. By moving this money we would be able to complete the project this year. The Disc Quota project is no longer needed; we found a free solution within another product that we currently own that meet the county's requirements.
