Re: Award of IFB No. 2013-063
C.R. 559 Over Lake Lavon North Approach Slab Repair

Earlier this year, PW staff apprised Commissioners' Court of an issue with the CR559 Sister Grove Bridge. The north approach slab has suffered significant erosion and deterioration necessitating expeditious and diligent repair.

Collin County recently solicited bids from qualified contractors to perform said repairs. Our engineering consultant, Binkley & Barfield C&P, reviewed the submissions and has endorsed Jim Bowman for the contract (see attached letter).

Therefore, Public Works requests Commissioners' Court consideration and approval to award the contract 2013-063 for Bridge Repairs on C.R. 559 over Lake Lavon North Approach Slab Repair to Jim Bowman Construction Co., L.P. Public Works has funds budgeted in Road Maintenance account #010-7501-680-7532 for the estimated cost to facilitate the repairs of \$41,405.00.

Should you require additional information, please contact me and I will respond accordingly.
