RE: New Employee

We have a new employee starting June 1 and I would like to request to be on the Court agenda for Monday, June 10, to introduce her.

Christine Williams will assume responsibilities as an Extension Agent – Family and Consumer Sciences with Prairie View A&M University's Cooperative Extension Program. She is funded 100% by Prairie View; our responsibilities are to provide an office and clerical assistance.

Please let me know if you have questions.

Regards,
