Subject: RE: HGAC Contract

Jennifer,

All HGACBuy contracts have be subjected to either a competitive bid or competitive proposal process based on Texas statutes for Council of Governments under the Local Government Code Chapter 252.

Yes, RCC was the only contractor awarded a contract under our new, HP07-13 - All Hazards Preparedness, Planning, Consulting & Recovery Services contract that included:

1. Development of Radio Interoperability Plans
2. Radio Coverage Measurements (signal strength, BER, DAQ, etc., noise floor)

The new contract is scheduled to start June 1, 2013.

Thank you,

Aundre Petty, CTPM

Subject: HGAC Contract

Aundre,

Will you please advise on the HGAC Contract No. EN06-10, Professional Planning and Consulting Services, if it is competitively bid and is RCC the only vendor awarded for the services for Radio Communications Consulting? I have heard that come June 1, 2013 a new Contract will be in place and that RCC was awarded again.

Any extra help is greatly appreciated.

Thank you for all your help.
