The Courts recommend approval of the contract with LifePath Systems to provide Case Managers for the county's MHMC Program. The MHMC program requires Case Managers as part of the indigent defense team to provide assistance to the program-appointed attorneys by providing case management services for defendants including referrals for mental health and/or substance abuse treatment; assistance with housing, education, and employment; mitigation strategy determination; defendant advocacy; record acquisition and follow-up on as-needed basis for several months following disposition. The Courts request an agreement with Lifepath Systems for contractual services of Case Managers to assist the MHMC program.
