Re: RFQ's for Design Services for the Extension of Park Boulevard from
F.M. Highway 2514 (Parker Road) east to Spring Creek at Centennial Drive
(Location Map Attached)

The Engineering Department requests Commissioners Courts authorization to request qualifications from engineering firms interested in providing design services for the future construction of Park Boulevard from F.M. Highway 2514 (Parker Road) east to Spring Creek at Centennial Drive north of State Highway 78 in Wylie.

Funds to acquire right-of-way were approved as part of the 2007 Bond Program. Design of this project will be funded by savings from a past County managed bond project.

We will be available to answer any questions you might have regarding this matter.
