RE: AMENDMENT TO COUNTY CONTRACT WITH ALYSE
FERGUSON, MHMC ATTORNEY DIRECTOR

The Collin County contract with Alyse Ferguson, Attorney Director for the Mental Health Managed Counsel Program, requires modification to meet the Texas Indigent Defense Commission grant requirements. The grant requires that the county own all equipment, software and furniture required for this position. The grant document was approved by Commissioners' Court and signed by Judge Self; this modification amends the county contract with Ms. Ferguson to match the grant document.
