RE: Trade-in of Cellebrite Device (Phone Forensics)

I am requesting approval to trade-in a Cellebrite Device (Phone Forensics), Collin County Asset #52963, for an upgraded device. No maintenance agreement will be available after 2014 on our current device, and the upgraded device will have the added benefit of obtaining deleted information from cell phones which our current device does not have. We will save \$3,000 on the trade-in for this new device and we have monies available in our ICAC Grant Fund and our Investigative Expense Fund.
