Re: Authorization to Award a Contract for the Construction of a Box Culvert on  
County Road 132 at Long Branch - Bond Project No. 07-0016  
(Location Map Attached)

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$238,834.00 to Ashlar Contracting Company for construction of a concrete box culvert on the above referenced road. Ashlar is the lowest qualified bidder based on evaluation of the bids and contractor qualifications.

It is anticipated that construction will begin in early September with substantial completion by December 31, 2013.

We will be available to answer any questions you might have.
