Dear Collin County Resident:

Collin County is participating in the 9-1-1 Emergency Telephone System by assigning rural addresses to a standard physical addressing system, to make it easier for the sheriff's office, fire department, and/or ambulance services to find you in an emergency.

This effort in coordination with the Cities of Frisco and McKinney, the Collin County Sheriff's Office, and the U.S. Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

According to our records, your property on the A S Young survey Abstract 1037, Sheet 1, Tract 8 was originally addressed as 1400 S Custer Rd. This address is not consistent with 9-1-1 addressing guidelines: the property access is on Westridge Blvd; an access on Custer Rd would be addressed with the City of Frisco.

The Rural Addressing Office will request the following address updates be placed on the Collin County Commissioners Court agenda for July 15, 2013. The scheduled court date is subject to change – for the latest agenda notice, go to [www.co.collin.tx.us/commissioners\\_court/commcourt\\_agenda.jsp](http://www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp)

Upon approval of changes by the Commissioners Court, a letter will be sent to you confirming the following correction. **Do NOT** begin making any changes now.

Your corrected 9-1-1 address will be: **9055 WESTRIDGE BLVD  
MCKINNEY, TX 75070**

This address correction will be effective immediately after the Commissioners Court approval – you will receive an address change confirmation letter.

After approval the County will notify the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office of this correction. Mail to the old address will continue to be delivered for one year.

The two Collin County Department of Public Safety (DPS) offices in McKinney and Plano will update the address on drivers licenses at no charge, when shown the 9-1-1 address correction approval letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions concerning this address, please call the GIS / 9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster  
9-1-1 Rural Address Coordinator, Collin County
