Re: Authorization to Apply for CoServ Charitable Foundation Funding

This is to request authorization from Commissioners Court to apply for \$18,250 from the CoServ Charitable Foundation to purchase 40 law enforcement individual first aid kits (IFAK) for Sheriff's Office vehicles and obtain training for 50 officers on their use. IFAK contents are used to combat the three most common preventable causes of trauma deaths during an emergency.

The CoServ Charitable Foundation reviews applications on the third Tuesday of each month. Funding, if awarded, must be spent within 12 months.
