Welcome

Welcome to the keepitmovingdallas.com website. This website is maintained by the Texas Department of Transportation – Dallas (TxDOT - Dallas) district. The purpose of this website is to provide information related to different transportation related projects in/around Dallas as well as Dallas District's business diversity outreach programs including Cooperative Inclusion Plan (CIP). The users of this website will be able to view and download the design schematics, public hearing notices as well as other project related documents.

The construction projects are divided by the type of roadway (State Highway, US Highways, Farm-to-Market roads, Interstate Highways and Others) on this website. The "Public Hearings" part of this website will list all the past and present public hearings and users can search for a particular public hearing using the navigation menu on the left or the search form on the public hearings page. The users will also be able to use the "Contact Us" part of this website to contact TxDOT – Dallas about any issues related to the construction projects or about the website.

Please feel free to contact us using the "Contact Us" form if you have any questions/comments regarding this website.
