Re: City of Branch Inter-local Recycling Agreement

Public Works is requesting the Court's consideration and approval to continue the Inter-local Agreement with the City of Branch pertaining to the recycling program. The term of this Inter-local Agreement will be one year (October 1, 2013 through September 30, 2014).

There are two compartmentalized recycling containers located at the Northwest Corner of FM 546 and FM 982 and are monitored by the City of Branch. The recycling containers provide the residents of Collin County a convenient way to dispose of their recyclables.
