RE: Inland Marine Policy

When meeting with Cyndi Boehle from Gallagher and our property underwriter Tim Yancey, it was determined that our Mobile Command Center should be covered under an Inland Marine policy rather than as part of our property coverage. It was also determined that our Mobile Medical Units are not currently insured.

The estimated values of the items are as follows:

- Mobile Incident Command - \$1,430,451
- Mobile Medical Units (3) - \$701,724

The following quotes for coverage were received:

Travelers Insurance (through Gallagher)

Replacement Cost
\$25,000 deductible - \$11,780

OneBeacon (through Wells Fargo) – standalone policies written separately from our Liability policies

	Replacement Cost
Mobile Incident Command	\$25,000 deductible – \$3,433
Mobile Medical Units	\$25,000 deductible - \$1,684

I recommend we use OneBeacon and select the replacement cost coverage with a \$25,000 deductible for a total cost of \$5,117. A copy of the insurance proposal is attached. The coverage will be in effect from October 1, 2013 to September 30, 2014.
