Re: City of Garland Inter-Local Agreement

Pursuant to the Mutual Boundary initiative adopted by Commissioners' Court on November 21, 2011, the City of Garland recently signed an Inter-Local Cooperation Agreement authorizing their participation. The City of Garland will now contract Collin County to reconstruct 365 feet on CR1105 at a cost of \$19108.32.

Instead of requesting a payment plan, the City of Garland has committed to pay the total amount upon completion of the road.

Public Works will deliver a final product that meets all County Road Standards. However, due to many intrinsic variables including:

- Drought conditions
- Inclement weather
- Traffic patterns
- Soil conditions
- Future road maintenance
- Trees and drainage maintenance

Public Works will not provide a warranty for roads reconstructed within or adjacent to the Garland boundaries. (Please note on the court order).

Public Works requests Commissioners' Court consideration and approval to enter the Inter-local Cooperation Agreement (ILA) with the City of Garland to reconstruct 365 feet on CR1105.
