TXI Operations, L.P.

IFB# 2013-194 is recommended to TXI Operations, L.P., the sole bid received meeting specifications as evaluated by the Purchasing Department and by the Public Works Department.

TXI Operations, L.P. has been the sole bidder on the past two bids. Material is bid to see if Collin County could get competition on same or equal product. TXI created this product as Cem-Lime, a super slurry product, and has licensed the product so that it can be widely available. At this time, TXI has not licensed any other suppliers in the Dallas/Ft. Worth market so it remains the sole supplier for our area.

Please contact the Purchasing Department at extension 4103, should you have questions or need any additional information.
