## MEMORANDUM

DATE: October 10, 2013  
TO: Commissioners' Court  
FROM: Sheriff Terry G. Box   
RE: Crime Victim Advocate – Year 2 of 3

---

I request to join Frisco Police Department again this year in accepting the grant and renewing the Memorandum of Understanding. We are in our second year of this three year grant cycle. Frisco advised us that the grant has been funded again this year.

The cost to the County will be \$1,704 this year. This will continue to fund the Crime Victims Advocate who coordinates all crime victim assistance as well as access to the Texas Crime Victims Fund for the victims of all crimes reported to the Sheriff's Office.
