RE: Recommendations for FY'13 Health Care Service Agreements

On February 21, 2013, the Collin County Health Care Advisory Board met and reviewed applications from non-profits requesting funding to provide health care services. As directed by the Board of Trustees, the Health Care Advisory Board made their funding recommendations, based on the following criteria:

Types of services limited for funding:

- Sick medical visits (provided by a licensed health care provider);
- Laboratory and x-ray services;
- Prescription drugs (generic when available); and
- Outpatient medical services (provided by a licensed health care provider).

Recipients of services must be Collin County, Texas residents who are:

- U.S. citizens or Legal Resident Aliens with more than 40 working quarters of U.S. employment; and
- Uninsured and have household incomes at or below 100% of the Federal Poverty Level.

After lengthy discussion and consideration, the Health Care Advisory Board unanimously voted to recommend **\$75,663.20** in funding for the following non-profit agencies:

- **Allen Community Outreach - \$ 22,250** for sick medical visits, prescription assistance, laboratory and x-ray services.
- **Community Lifeline Center - \$3,000** for prescription assistance
- **Frisco Family Services - \$3,250** for prescription assistance.
- **Health Services of North Texas - \$ 19,680** for sick medical visits, prescriptions and laboratory services.
- **The Samaritan Inn - \$27,483.20** for sick medical visits and prescription assistance.

If approved by the Trustees, service agreements will be sent out to the non-profits for signature and the service agreements will be placed on court for final approval. The Advisory Board is also recommending that the remaining unallocated amount of \$44,336.80 be held in contingency for non-profits if critical funding needs are identified during the fiscal year.
