Dear Collin County Property Owner:

The Collin County Rural Addressing Office is standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

Your signed petition was received. The addressing recommendations listed below will be made to the Collin County Commissioners' Court by the 9-1-1 Rural Addressing office at the public session on January 6, 2014, which you are welcome to attend. The scheduled court date is subject to change – for information on the latest agenda notice go to:

http://public1.co.collin.tx.us/public_notices/Lists/Public%20Meetings/Calendar.aspx

Upon approval by the Commissioners' Court, your 9-1-1 address on the Pepper Family Addition, Block 1, Lot 1 will change:

from 2300 PRIVATE ROAD 5610 to **2300 PEPPER HILL DR** (Residence)
ANNA, TX 75409

Please don't make any changes yet – in the week after approval by the commissioners court, a final 9-1-1 address correction approval letter will be sent to you, your emergency service dispatcher, your post office, and the Collin Central Appraisal District.

The County will then install one (1) blue and white metal road sign with post – contact information will be included in the 9-1-1 address correction approval letter.

Property deeds are not affected by a change in address – even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
