Dear Jennifer:

My sisters and I, Katherine Wells Power, Nancy Wells Warder, and Sarah Wells Macias daughters of John D. Wells and Frances White Bates Wells, would like to donate a tractor and cotton stripper to the Farm Museum collection. It is a 1954 John Deere 70 diesel tractor with a cotton stripper component and was used by our tenant Troy Vest and later his son Donald Vest on our mother's farm in Celina. The serial number is covered up by the component. It is located on the land where it was operated on County Road 84 just north of County Road 1471.

We hope this will be an interesting addition to the collection.

Sincerely,

Marianne D. Wells
