Subject: Permission to Accept Donation of Three Desktop Computers
To: Commissioners Court
From: Andrea Stroh Thompson
District Clerk

The District Clerk is requesting permission to accept the donation of three desktop computers and monitors from the Office of Court Administration (OCA). The OCA is making their surplus available to counties affected by mandatory electronic filing and it is the intent of the District Clerk to make these computers available at the courthouse for filers affected by the mandate and prohibited from filing in person. There is no obligation to the County to replace the computers when they no longer work and no expectation that they be included in any county refresh program. They are for use only until such time as they no longer work.

In addition, the District Clerk is requesting permission to accept the donation of all software licensing costs for the desktops from the Plano Bar Association, the Collin County Bar Association, the Frisco Bar Association, and the Collin County Bench/Bar Foundation.
