SUBJECT: JP Court Technology Fund Budget Amendment

I am requesting the Commissioner's Court increase the amount budgeted in JP4's FY 2014 JP Court Technology Fund for Education and Conferences (028-2440-444-4910) to cover increased costs for the Tyler Connect 2014 conference. Hotel and registration fees are higher than anticipated for this conference. Funds are available for transfer from the JP Court Technology Shared Fund 028-0000-251-0000.

Respectfully Submitted
