WALLY W WATKINS
P.O. BOX 220
LAVON, TX 75166-0220

Dear Collin County Property Owner:

The Collin County Rural Addressing Office is proposing to change the following road name in your area, for consistence with the City of Lavon addressing:

This effort, in coordination with the City of Lavon, the Lavon Fire Department, the Collin County Sheriff's Office, and the Lavon Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

The Rural Addressing Office will make this request on the Collin County Commissioners' Court agenda for March 24, 2014. The scheduled court date is subject to change – for the latest agenda notice, go online to www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp.

Do NOT begin making any changes now. Upon approval of changes by the Commissioners' Court, a letter will be sent to you confirming the following correction on the S M Rainer Survey Abstract 740, Sheet 2, Tract 48:

from: 9503 COUNTY ROAD 538 to: **303 IRENES VIEW** (Northernmost residence)
9509 COUNTY ROAD 538 **309 IRENES VIEW** (Southernmost residence)
LAVON, TX 75166

After approval the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office will also be notified of the change in the 9-1-1 database. Mail to the old address will continue to be delivered for one year.

This address correction will be effective immediately after the Commissioners' Court approval – you will receive an address change confirmation letter that week.

The two Collin County Department of Public Safety (DPS) offices in McKinney and Plano will update the address on drivers licenses at no charge, when shown the 9-1-1 address correction approval letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions concerning this address, please call the GIS / 9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
