Miller, Michael Clay  
8221 US Hwy 75  
Anna, TX 75409

Dear Property Owner:

The City of Anna participates in the 9-1-1 Emergency Telephone System by assigning addresses to a standard physical addressing system, to help emergency response personnel in reaching you quickly.

Some changes must be made to standardize addresses to meet the City of Anna addressing grid. This letter is to verify that your property located in the City of Anna, formerly address as 8221 US Highway 75 has been assigned the following 9-1-1 address:

From: 8221 US Highway 75                      To: 3004 S Central Expressway  
Anna, TX 75409

Please begin using your new address effective March 25, 2014. The Post Office will be notified of this address change, however, they will deliver mail with your old address for approximately one year (12 months). Please contact your correspondents (utility companies, family, friends, etc.) with your new address. If a telephone (land line) will be at this structure, you must provide this address to your Telephone Company. This will allow the 9-1-1 dispatcher to see your correct location when 9-1-1 is dialed from that telephone.

The Collin County Department of Public Safety (DPS) office in McKinney will update the address on driver's licenses at no charge, when shown the 9-1-1 change of address letter.

Property deeds are not affected by a change in address-even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions, please call the City of Anna Planning and Development Department (9-1-1 Addressing) office at 972-924-3325 and ask for Tana Ross.

Respectfully,

Tana Ross, 9-1-1 Addressing Coordinator, City of Anna
