---

Consultants with Jacobs Engineering Group Inc. will be presenting the final draft of the Collin County Mobility Plan, 2014 Update. We request Commissioners Court conduct a public hearing and further adoption of the Plan.

Jacobs Engineering Group Inc., along with Freese and Nichols, Inc., Alliance Transportation Group, and Strategic Community Solutions have prepared a comprehensive, multimodal plan for transportation system that will serve the mobility needs of County residents and guide major transportation investments. The Plan includes a county-wide system of roadways, transit facilities, and hike/bike trails that are needed to meet the travel needs of the County.

The Collin County Planning Board at their meeting on April 3, approved the final draft and recommends to Commissioners Court for approval.

We request Commissioners' Court hold a Public Hearing to hear public testimony and consider adoption of the Collin County Mobility Plan, 2014 Update.
