

STATE CRIMINAL ALIEN ASSISTANCE PROGRAM (SCAAP)

NEW! Fiscal Year 2014 SCAAP Application

The application period for FY 2014 SCAAP is now open. All applications must be submitted via the OJP online Grants Management System (GMS). All completed applications must be submitted by **6:00 p.m. e.t. on Tuesday, May 13, 2014**. Extensions or exceptions to this deadline cannot be granted. Because of the volume and complexities involved in verification of all submitted inmate data and the fact that BJA transmits this file to the U.S. Department of Homeland Security (DHS) immediately after the close of the solicitation, it is not possible for additional applicant data to be reviewed and sent to DHS after the deadline.

Update on the Payments for "Unknown" Alien Status Inmate Days

The Department of Justice (DOJ) will continue the reimbursements for the unknown category of SCAAP inmates for the FY 2014 SCAAP awards. SCAAP grantees are strongly encouraged to work collaboratively with DHS in the following programs in order to increase their inmate alien status verifications. Those programs include:

- **Secure Communities Program:** This program leverages an existing information sharing capability between DHS and DOJ to quickly and accurately identify aliens who are arrested for a crime and booked into local law enforcement custody. With this capability, the fingerprints of everyone arrested and booked are not only checked against Federal Bureau of Investigation (FBI) criminal history records, but they are also checked against DHS immigration records. If fingerprints match DHS records, the Bureau of Immigration and Customs Enforcement (ICE) determines if immigration enforcement action is required, considering the immigration status of the alien, the severity of the crime and the alien's criminal history. For more information, see the following web site: www.ice.gov/secure_communities/.
- **287(g) Program:** The 287(g) program allows a state and local law enforcement entity to enter into a partnership with ICE in order to receive delegated authority for immigration enforcement within their jurisdictions. This allows the officials in the jurisdictions to match inmate records prior to the SCAAP application process. For more information, see the following web site: www.ice.gov/news/library/factsheets/287g.htm.
- **The Law Enforcement Support Center (LESC):** LESG is a single national point of contact that provides timely customs information and immigration status and identity information and real-time assistance to local, state and federal law enforcement agencies on aliens suspected, arrested or convicted of criminal activity. For more information, see the following web site: www.ice.gov/LESC/ or call 802-872-6000.

Overview:
