Re: Authorization to Award a Contract for the Removal and Reconstruction of a Box Culvert on County Road 618 at Cedar Creek (Bond Project No 07-103)
(Location Map Attached)

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$372,528.85 to Jeske Construction Company for reconstruction of a box culvert on the above referenced road. They are the lowest and best qualified bidder based on our engineer's evaluation of the bids and contractor qualifications.

A transfer of \$71,733 in available funds from the completed bond project listed below is requested to cover the cost of construction and material testing.

County Road 638 @ Sabine Creek (Bond Project No. 07-104)

It is anticipated that construction will begin in July with substantial completion by November 1st 2014. We will be available to answer any questions you might have.
