Subject: CR 618 over Cedar Creek Culvert Replacements
Date: May 22, 2014

Jeff,

As you requested Dannenbaum Engineering has evaluated the bids for the CR 618 Culvert Replacements project. Additionally, Dannenbaum has checked several references for the apparent low bidder, Jeske Construction Co. Jeske's bid of \$372,528.85 is in line with the work to be performed and their references are good. The County also indicated that past projects of similar scope with this contractor were done according to plan, and they were pleased with the final product.

Recommendation:

Dannenbaum recommends Collin County formally award the contract to Jeske Construction Co. in the amount of \$372,528.85 for the CR 618 over Cedar Creek Culvert Replacements project.

If you have any questions please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Bo Ratto, PE". The signature is written in a cursive style.
