Subject: Draft of Letter to TXDOT (CONFIDENTIAL)

Fellow State Legislators and Commissioners,

Attached to this e-mail is a confidential draft of a letter that I and Duncan have prepared that we'd like to send to TXDOT early next week. As you'll note, we'd love to have the entire Commissioners Court as well as the Collin County Legislative Delegation sign on to the letter, expressing our collective opposition to the current US75 proposal.

In that regard, after reviewing the letter, please let me know if you are agreeable to the letter in its current form or if you have revisions you'd like to suggest before signing on. If you don't want to sign on, please let me know that as well.

If possible, please let me know by COB on Monday. We'd like to get the letter out next Tuesday at the latest.

All my Best,

Jeff Leach
