

INTERLOCAL AGREEMENT

This INTERLOCAL AGREEMENT. is made and entered between City of Wylie, a City of the State of Texas (hereinafter "CITY") and COLLIN COUNTY, TX, a political subdivision of the State of Texas (hereinafter "COUNTY"),.

WITNESSETH

WHEREAS, both the CITY and COUNTY have the authority to enter into this Agreement pursuant to Chapter 791, Texas Government Code and;

WHEREAS, it has been determined mutually beneficial to both Parties to execute this agreement which sets forth the parameters under which and;

WHEREAS, the County wants to ensure that the City has the most current geographic information at their disposal.

NOW THEREFORE, in consideration of the mutual representations, terms, and covenants hereinafter set forth, the parties hereby agree as follows:

Section 1. Purpose

The purpose of this Agreement is to set forth the parameters under which the County will provide GIS Services to the City to include creating, managing and mapping specific spatial layers to aid in service to the City constituents.

Section 2. Effective Date/Term

This agreement will become effective immediately upon the latest date of execution by either party through September 30, 2014.

Section 3. Services Rendered

Collin County proposes two projects to support WFD in Fiscal Year 2014. Our office will digitize, combine and prepare Fire and Police grids per WFD's requirements. We will also use these new combined grids to build new Fire and Police districts. We also propose a project that geocodes current and historic Calls for Service (CFS) data against the new call boxes and districts. We can demonstrate various ways to display this data once it is part of the system.

The following projects will be performed:

- Combine Box Map (Fire and Police) and Rebuild Districts
- Geocoding and Manipulation of Data Relating to Calls for Service

The Collin County GIS staff is confident that we can provide the Wylie Fire Department the expertise necessary to complete these projects.

Section 4. Responsibilities and Duties

City will provide Collin County the information needed to perform the work described in Section 3 – Services Rendered.

Section 5. Maintenance

Annual maintenance will be provided by the County for the work stated above and for any previous work provided to the City by the County to include the following:

- Twelve (12) months of data updates,
- Storage of Data

- Web access & design along with a routine backup & recovery strategy of the work above.
- Arc Reader Updates
- Web upgrades
- Map Book and Wall Map Updates
- Additional training and mapping

Section 6. Maintenance Fee

The fee for annual maintenance is \$7,000 per year. This can be paid in whole at the beginning of year or in twelve (12) equal payments of \$583.00 per month.
