DATE: June 30, 2014

FROM: Michael Morris, P.E., Director of Transportation

SUBJECT: Resolution Adopting the 2015-2018 Transportation Improvement Program for North Central Texas

On April 10, 2014, the Regional Transportation Council (RTC) of the North Central Texas Council of Governments (NCTCOG) adopted the 2015-2018 Transportation Improvement Program for North Central Texas (2015-2018 TIP).

The 2015-2018 TIP contains over \$4.6 billion of projects and programs anticipated to be implemented over the next four years. Additional information regarding the 2015-2018 TIP may be found online at <http://www.nctcog.org/trans/tip/15-18>. If you are interested in viewing projects in your jurisdiction, please select the "Project Listings" link to open the document. Then, press "Control F" to open the search function and enter your agency's or city's name.

The 2015-2018 TIP was developed in cooperation with local governments and partners identified above. All projects listed in the 2015-2018 TIP/Statewide Transportation Improvement Program are consistent with Mobility 2035: The Metropolitan Transportation Plan for North Central Texas-2013 Update. Additionally, this document meets the conformity requirements of the State Implementation Plan and the Clean Air Act Amendments of 1990. The 2015-2018 TIP is currently in the federal and State review phase. The Texas Transportation Commission is expected to take action on the statewide document at the August 2014 Commission meeting. Federal approval is anticipated in late October 2014.

As required in RTC Resolution R14-01, Section 5, a copy of the resolution is enclosed for your information. If you have any questions regarding the 2015-2018 TIP, or the enclosed resolution, please contact Christie Gotti at (817) 608-2349.

Michael Morris, P.E.
