Dear Carol,

This letter is to inform you that due to the price increases in freight charges and price increases from various paper suppliers, Data Flex has to increase prices on the Printing Contract No IFB #05249-12 for renewal on October 01, 2014 thru September 30, 2015. Changes in cost are motivated by continued, steadfast increases in key raw materials, energy and transportation cost. We are left with no choice but to pass on these higher operating costs. Also, I am including letters from various sources substantiating the cause for increase. Please let me know if you have any questions.

Sincerely,

Art Throgmorton

THANK YOU! WE APPRECIATE YOUR BUSINESS.
