Draft Resolution to Support NTTA 2015 Legislative Goals

**Subject: Draft Resolution to Support NTTA 2015 Legislative Goals**

Good afternoon, Judge Self and Commissioners.

Attached is a draft resolution for the Commissioners Court's consideration to support NTTA's 2015 legislative goals and creation of the Contiguous County Advisory Committee. The NTTA Board of Directors adopted its 2015 legislative priorities (attached) at its meeting on July 16. The Board is tentatively scheduled to consider action to create the Advisory Committee at the August 20 Board meeting.

We are asking each of NTTA's member counties for similar consideration of the attached resolution.

As always, we appreciate the Court's support. Please do not hesitate to call or email me if you have any questions.
