RE: Interlocal Agreement for Emergency Ambulance Services – City of Lucas

Honorable Court,

I respectfully request the Court to consider and approve the ILA for Emergency Ambulance Services with the City of Lucas. The City of Lucas has developed an EMS system within the Lucas Fire Department and has agreed to serve the Lucas Fire District with ambulance services with the exception of two developments. Based on location the City of Lucas will provide faster response times to the fire district for EMS than that of the Southern EMS Coalition.
