Dear Ms. Magers,

Martin Marietta is requesting a price increase on items 01 and 02 for all locations, Mckinney, Weston, Farmersville, and Copeville, delivery for the IFB 2014-057, Road Materials, Aggregate Materials. Martin Marietta received a request from CKJ Trucking, the hauler for Collin County material, for an increase in these deliveries due to freight and equipment cost increases. Martin Marietta's base price for the material will not change. We are only passing on the increased freight costs requested by the hauler, CKJ Trucking. Your consideration in approving these increases will be appreciated.

Kind Regards,
