Tammy,

The City of Josephine had requested a 10 year payout on (2) mutual boundary roads and (1) city street.

CR689 – Mutual Boundary \$61,469.76
CR1003 – Mutual Boundary \$15,940.32
W. Hubbard Rd – Josephine (Seal Coat) \$33,700.00

Total: \$111,110.08

The request was granted by the Commissioner's Court on 11/06/12 and a payment schedule was sent to us for payments to begin on 11/01/2013.

We would like to request an amendment to this if possible. The Mutual Boundary roads have been completed and if possible, we would like to amend the payout from 10 years to 5 years for these (2) roads.

W. Hubbard that was included needs some work done to it before it can have the seal coat done. We would like to remove W. Hubbard from our agreement if possible and ask Collin County to consider letting us add one of our rock roads instead. If possible, we would like to get an estimate of what it would cost for Collin County to completely do one of our roads from rock to asphalt and also if we can get it on the schedule.

We are ready to start making our payments on the Mutual Boundary Roads and we feel that a (5) year payback makes more sense.

Thank you for your time.

City Secretary
